

Sustainability Code of Conduct

Walking / Hiking / Trekking

As part of our commitment to sustainable tourism, we provide activity participants with the sustainability savvy travel tips below.

- ✓ Be **selective** – choose tourism businesses that share how they benefit people & planet
- ✓ Tread **lightly** – choose activities & transport options with a reduced environmental impact
- ✓ Be **informed** – learn a bit about local nature, history & culture beforehand to enrich your experience
- ✓ Be accurate about your level of **fitness** & ability so we can design an enjoyable experience for everyone
- ✓ Respect your guide's **instructions** regarding safety, local etiquette & dos and don'ts
- ✓ Before entering sensitive environments, **clean your footwear** to prevent the spread of invasive species
- ✓ Don't collect or disturb **flora or fauna**, or their habitat
- ✓ Don't feed **wildlife**; it can harm their health & encourage problematic behaviour
- ✓ Remain on **designated paths / trails**
- ✓ Practice good "**bush toilet**" etiquette (ask us for specific guidance)
- ✓ Respect **fire restrictions** in place; if campfires are permitted, ask us about how & where
- ✓ **Reduce waste** – from food to paper, remember to take only what & as much as you need, and bring **re-usable** items, e.g., water bottle, coffee cup, carry bag
- ✓ Dispose of **waste** responsibly – pack out what you take in – & use local recycling facilities where available
- ✓ Be **waterwise** – your participation in the activity shouldn't place additional stress on water-scarce environments
- ✓ **Save energy** to reduce your carbon footprint & your impact on local supply challenges
- ✓ Support **climate change** action, e.g., offset or regeneration programmes
- ✓ Be respectful of **privacy**; obtain permission before taking photos / videos of people or sensitive sites along the way
- ✓ Respect **others** using the area so that their experience & access are not compromised
- ✓ Be **sensitive to the inequalities** of our world and avoid displays of wealth, particularly in less privileged contexts
- ✓ **Ask questions** – your local guide will happily share their knowledge
- ✓ If you want to **give**, ask us how to do so responsibly; offering sweets or money to individuals, for example, can often do more harm than good
- ✓ **Buy** from local, small &/or community-owned businesses, especially if they feature local nature or culture
- ✓ Be cautious about **buying from children** – you could unknowingly be supporting their exploitation
- ✓ Refuse to buy **souvenirs**, food & beverages that harm the environment, people, or wildlife, especially those that are illegal to buy / sell
- ✓ Respect customary **tipping & trading** practices – such as bartering – and pay fair prices
- ✓ Provide **feedback** about what you liked or how we can do better
